"Chapter of the Year 2018"

AWI Washington

2019, A Year For Great Successes!

After a wonderful 2018, with an immense amount of hard work and growth through new members and successes such as winning Chapter of the Year, we needed to kick off 2019 with some fun. In late January, thirty of us filled the Ice Box at the Seattle Thunderbirds hockey game at the Showare Center for a night of food, fun, and cheering on our Thunderbirds. We all had a blast yelling at the players while seated right on the glass. Everyone who attended said they would love to do this event again.

At the end of February, we hosted an AWI National education seminar for Advanced Estimating. FloForm once again opened their doors so we could host the event there at no cost to the chapter. Brooklyn

Hardware also helped to sponsor the event to minimize costs for attendees. These events are great in educating our members and for raising funds for the chapter so we can keep event costs low and be able to provide free memberships to students, teachers, and designers.

This year we hope to win Chapter of the Year for the second year in a row and plan to have an outstanding Supplier Table Top Night in the fall and a couple fun events between now and then. We hope you all have a wonderful summer and that we see you at some events this year!

Dallas Lemon
- AWI Washington Chapter President

Upcoming Dates:

July 30, 2019
Willis Supply
Networking & Game
Night

Sept 2019
Shop Tour TBD

Nov. 7, 2019
Supplier Table Top
Night @ Cedarbrook
Lodge Seatac

Kirsten Ingham Retires from AWI Leadership

Kirsten Ingham has been serving with the Washington Chapter of AWI since 1991 and has decided that it's time to retire and let the next generation of leaders rise up in the chapter. She has served in every capacity on our Board of Directors including President, but most recently she has served as our Executive Director and Treasurer. She also served a one year term as President of AWI National, in which, she was the first female President and the 50th President of AWI National. We appreciate all the hard work she has done over the past 28 years and thank you for everything she has done to grow our chapter in the great organization it has become. Thank you Kirsten!

Upcoming July Chapter Networking & Game Night!

On July 30th @ 5:30pm, we will be gathering at Willis Supply in Lakewood to explore some new and exciting products that Willis wants to show off. We will enjoy a tour of their world class warehouse and enjoy a great many discussions over drinks and dinner. We will be playing cornhole and hopefully having some awesome discussions about reaching the next generation and what we can do right now to get involved in local schools and get kids excited about the woodworking industry. Hope to see you all there!

Representing Global Brands Across North America.
